

## **CONSENT FORM**

I,, ID number,,
hereby agree to undergo the psychometric assessments administered by the Imperial Assessment Centre. I also authorise them to reveal and discuss the results of these assessments with the management of the relevant division/department at which I have applied for a position.
I understand that the results of the assessments will be used for selection and/or development purposes. I understand that any employment that may be offered to me following the assessment and interview(s) will be totally at the discretion of the company and that said employment will be totally conditional to the written acceptance of terms and conditions of employment.
Psychometric tests are governed by the applicable legal entity that ensures validity and reliability of psychometric testing. Although all of these tests have valid and reliable norms, some of the tests are still under development/review as required from the entity governing psychometric tests.
Please tick the appropriate boxes below:
<ul> <li>I hereby acknowledge that I am voluntarily participating in the psychometric assessment.</li> <li>I hereby agree to release my assessment results to the appropriate individuals to determine my compatibility and competence for performing specific work functions within the organisation.</li> <li>I hereby agree that the results of this assessment can be used for research purposes on a strictly confidential basis.</li> <li>I hereby acknowledge that I am entitled to feedback, however the cost of the feedback</li> </ul>
may be my own expense.
I declare that I feel mentally and physically fit to complete the assessment to the best of my abilities. If I feel unwell during the assessment process, I will inform one of the assessment administrators.
